1. Project Title: Review and Proposal of Bylaws Amendments

Results: See Bylaws tab for summary of proposed amendments. Redlined version available upon request and at Business Meeting. Amendments to be voted upon at Business Meeting.

2. Project Title: Revision of Operations Manual

Results: Reviewed and prepared changes for Operations Manual consistent with potential bylaws amendments and other necessary changes. Will be voted on at post-conference Board meeting.

3. Project Title: Environmental Scan Report

Results: Reviewed relevant literature and emerging trends that will affect NACM and the court community. Developed an environmental scan report for use by NACM and other interested parties.

4. Project Title: Communications Plan Consideration

Results: Considered developing a communications plan for NACM. Upon review, decided that Publications and website accomplish purpose. Instead, revised Standard NACM Speech (Appendix in Operations Manual)

5. Project Title: Grants

Results: Explored numerous grant opportunities for NACM. Reviewing potential grants for possible application.

ADDITIONAL COMMENTS AND/OR SUGGESTIONS:

The Planning Committee plans to review the Bylaws, Operations Manual and potential grants in the 2009-2010 year. In addition, the planning committee will take on additional activities that support the issues identified in the environmental scan report.
