**1. Project Title: NACM Core Competencies Video Modules**

**Results:** NACM received a \$27,000 SJI grant to develop video content for three NACM Core Competencies and an overview module for the NACM website. The project was successfully completed and available for viewing on the NACM website.

**2. Project Title: Vendor Advertising Proposal**

**Results:** The Website Committee has actively pursued sponsors for Web advertising on the website. The Ads will be placed on the Core Competencies pages. Ads will run for one year at a cost of \$2,000. Cost for FACT members/platinum level sponsors is \$1,700. Vendors continue to be interested in this opportunity.

**3. Project Title: Website Memorabilia Store**

**Results:** The Website Committee worked with the Membership Committee to change the on-line store icon. This project was successfully completed.

**4. Project Title: Review of Monthly Website Statistics**

**Results:** The Website Committee continues to review the Google Analytic Statistics. A copy of the statistics since revising the website is attached.

**5. Project Title: Website News in the Court Express**

Results: The Chair continues to write a short column in the Court Express.

**6. Project Title: President's Page**

Results: The Website Committee created a President's Page for messages and notices from the NACM presidents.

**7. Project Title: NACM National Agenda**

Results: The NACM Board adopted a national agenda. The agenda has been prominently added to the NACM website for viewing by members and partners.

**Additional Comments:**

Thank you to the Website Committee members for their participation and support this past year. A special thank you to NCSC staff member Linda Perkins for all of her assistance with the website.

If anyone is interested in serving on the Website Committee please let the Chair know.
