(In the space below, describe projects of note and mention the individuals responsible)

- I. Project Title:** Tracking of hits on the NACM Website
- Results: The committee receives a quarterly report that details the activity on the website.
- II. Project Title:** NACM Member Recognition
- Results: A NACM member can nominate another member for special recognition for outstanding performance. To date, 4 individuals have been nominated. An email was sent to all members reminding them of this opportunity. The website committee will meet this summer to begin evaluating nominations. It is anticipated that the first person featured on the website will be sometime in the fall of 2007.
- III. Project Title:** Develop NACM History Page
- Results: Preliminary work has begun. It is anticipated that the history page will be added by January 2008.
- IV. Project Title:** Establish Links to NCSC's Distance Learning Programs
- Results: Preliminary discussions have been initiated with NCSC.

- V. Project Title:** Develop Ask the President Section
- Results: Done. No questions have been submitted as of June 13, 2007
- VI. Project Title:** Add a committee resources page that would include membership recruiting and information aids, e.g. letter templates, brochures, etc.
- Results: Done
