

Court Administrators Around the World

EMAIL INVITATION

Colleagues:

You have been selected to receive this invitation because you are a member of the National Association for Court Management (NACM) engaged in the field of court management. The University of Canberra is conducting research into the role of court administrators, in association with the International Association for Court Administration (IACA), and they have developed a short survey as part of that research. **NACM encourages you to participate in this survey.**

The survey is available at <http://www.surveymonkey.com/s/COURTADMINISTRATORSURVEY>

It will take about 15 minutes of your time to complete and will ask you questions about yourself, your background, training, experience, and information about the court that you administer.

Analysis of the information collected through this survey will be used to develop a current profile of court administrators around the world as a professional group, with particular reference to their work experience, educational qualifications and training. This is intended to be the first step in a long-term project which has, as its objective, to improve the selection, training, recruitment and support of court administration staff. You can also find further information about the survey at <http://www.surveymonkey.com/s/COURTADMINISTRATORSURVEY>

Your assistance will make a valuable contribution to this research.

Your Privacy: Your answers to these questions will be entirely confidential; we do not ask for any identifying information. The survey is constructed so that there is no risk that any information you give in your responses could be linked to you. However, *if you are uncomfortable with answering any question, feel free to leave the answer blank and simply move on to the next question.*

Questions? If you have any questions about the survey or would like further information before completing it, please contact me at: Anne.Wallace@canberra.edu.au
